LR 235, 467

SENATOR KAHLE: (Response inaudible.)

PRESIDENT: Senator Wesely, for what purpose do you arise?

SENATOR WESELY: Mr. President, I rise on a point of information, if I could.

PRESIDENT: Yes.

SENATOR WESELY: As my reading of the rules on page 45, it says specifically, "For a bill passed on Final Reading no motion to reconsider shall be in order except by the introducer of the bill for technical or clarifying amendment." Thus, this bill has passed on Final Reading. The introducer has not asked for a motion to reconsider. I think that this is out of order and I would ask for a ruling from the Chair.

PRESIDENT: The Chair rules that the Senator is correct on that point of order and that the procedure heretofore is not in order. We must assume that 341A has been passed. Therefore, that will eliminate further discussion on that matter and the Chair would announce that while the Legislature is in session and capable of transacting business I propose to sign and do sign, LB 962, 671, 714, 724, 724A, 769, 861, 931, 931A, 1019, 820, 908, 976, 976A, 985, 341, 341A, 928, 994, 994A, LR 235, LB 348, LB 711 and 711A, and LB 830, 838, 890, 902, 904, 809, 1078, 970A, 970 and 916. Anything further on the desk, Mr. Clerk? We are ready then for our motions I guess.

CLERK: Mr. President, right before I get to that, if I may, new resolution, LR 467 by Senator Hefner. (Read by title for the first time as found on pages 2342-2343 of the Legislative Journal.) That will be laid over, Mr. President.

Mr. President, Senator Nichol would move to suspend the rules.
